

### IMPORTANT! READ THE SECTION BELOW!

#### Thinking about awards for the fall? Come talk to us now!

If you are thinking of applying for awards this fall, now is the time to begin your application! There are a series of mandatory summer deadlines to meet in order to be eligible to apply in September. If you're considering applying, or are interested in learning more about any of the awards below, please e-mail [rreilly@pitt.edu](mailto:rreilly@pitt.edu) as soon as possible.

Fulbright awards provide research/study or English teaching grants in 150+ countries for seniors, graduate students and alumni (US citizenship required). The Fulbright promotes mutual understanding through educational and cultural exchange.

The Rhodes, Marshall, Mitchell, Churchill, and Gates Cambridge scholarships allow some of the most accomplished and promising US students to conduct graduate studies in the UK and/or Ireland (depending on the scholarship). This session will cover the criteria and conditions of each of the five awards.

The DAAD (German Academic Exchange Service) provides up to two years of funding for study and research in Germany for seniors, graduate students, and recent grads.

### Upcoming Scholarship Deadlines

#### The Undergraduate Awards — Attend a Conference in Ireland

**DEADLINE: EXTENDED TO JUNE 14!**

The Undergraduate Awards recognizes scholarly work that presents fresh ideas or new academic arguments. Rising seniors, as well as graduates from 2012 and 2013, may submit up to 3 essays or papers on which they received an A grade. Winners attend a 3-day conference in Dublin to network with academic and entrepreneurial leaders and participate in workshops.

Applying takes less than 10 minutes! To apply, write a 100-300 word abstract to accompany your submission(s), then fill out the submission form and attach your coursework (you can submit up to 3 papers) by May 24th. E-mail [info@undergraduateawards.com](mailto:info@undergraduateawards.com) with any questions about the award.

### The Collegiate Inventors Competition

**DEADLINE: JUNE 14**

The Collegiate Inventors Competition recognizes student inventors whose inventions, one day, could make significant contributions to society. Entries must be original products of STEM students or student groups with their university advisor. Applicants must be students or recent graduates of a US or CA college.

### UHC Fall Brackenridge

**DEADLINE: June 28**

52 semester-long fellowships will be awarded to students conducting independent research in the humanities, social sciences, natural sciences, and applied disciplines under the guidance of a faculty member. Fellows also participate in a weekly discussion of their research progress. Undergraduate students from all disciplines and of all ages are eligible. Contact Dr. Peter Koehler with questions.

### Tylenol Scholarships

**DEADLINE: JULY 15**

Tylenol will award scholarships to 40 students seeking careers in healthcare. Applicants must be rising sophomores, juniors, seniors, or graduate students enrolled in a public health/health education, med school, nursing and/or pharmacy degree program. Residents of a US state, Washington DC, or Puerto Rico are eligible.

### Foundation for Global Scholars

**DEADLINE: JULY 31**

The Foundation for Global Scholars provides awards to US and Canadian citizens to defray the cost of international study. Students of all years are eligible, and the funds can be used to support academic semesters, service learning, internships, short term projects, and more. NOTE: The July 31 deadline is for programs that BEGIN between Sept. 1 and Dec. 31.
