

Upcoming Scholarship Deadlines and Info Sessions

Charles B Rangel International Affairs Graduate Fellowship

DEADLINE: JANUARY 17

The Rangel Program seeks to attract and prepare young people for careers as diplomats in the Foreign Service by providing support for graduate school, professional development, and entry into the U.S. Foreign Service. Applicants must be seniors or graduates seeking entry to a fall 2014 graduate program and have a 3.2 or higher GPA. The Program encourages applications from members of groups historically underrepresented in the FS and those with financial need. US citizenship is required.

Elie Wiesel Foundation Prize in Ethics Essay Contest

DEADLINE: DECEMBER 2

The Elie Wiesel Foundation Prize in Ethics recognizes juniors and seniors who can think deeply and critically on matters of ethics. Applicants compose a 3,000-4,000 word essay that raises questions, singles out issues, and identifies dilemmas of ethics. A suggested essay topic can be found at the foundation's website, though applicants are welcome to write on any topic that meets the foundation's guidelines. Five prizes of up to \$5,000 are awarded each year. US Citizenship is NOT required.

Department of Energy Scholars Program

DEADLINE: JANUARY 12

The DOE Scholars Program pairs participants with DOE offices through paid internships and research opportunities that introduce students and post-graduates to the DOE mission of discovering solutions to power and commitment to energy and nuclear security, scientific discovery and innovation, and environmental responsibility. Applicants from a variety of fields, from the sciences to law to communications, are encouraged to apply. US citizenship is required.

SMART Scholarship

DEADLINE: DECEMBER 16

The Science, Mathematics & Research for Transformation Scholarship recognizes academically excellent students pursuing degrees in disciplines of particular interest to the Department of Defense. Scholars receive funding for full tuition, related educational fees, living expenses and placement in civilian laboratory internships and full-time positions upon graduation. US citizenship is required.

The Udall Scholarship

CAMPUS DEADLINE: JANUARY 6

The Udall recognizes students who have demonstrated commitment to the environment in any field (including policy, health, business, and other fields). Applicants must be full-time sophomores or juniors at the time of application. US citizens, nationals, and permanent residents are eligible for this award. The Udall also recognizes Native Americans or Alaska Natives who have demonstrated a commitment to tribal public policy or Native health care.

Last Call: The Goldwater Scholarship

Goldwater Information Sessions:

Nov. 5 @ 2:30 PM (feat. 2013 Goldwater Scholar Adair Borges)
1229 Cathedral of Learning

The Goldwater is open to sophomores and juniors who plan to be scientists, mathematicians, or engineers. Pitt can only nominate up to four candidates for this award.

THE CAMPUS DEADLINE FOR THIS AWARD IS DECEMBER 2. Please contact Judy Zang if you wish to attend an info session or apply for either award.

DAAD RISE

DEADLINE: JANUARY 31

DAAD RISE matches biology, chemistry, physics, earth sciences and engineering students with research groups who facilitate a 2-3 month summer research opportunity in Germany. German language knowledge is not required.

The Whitaker Fellowship

DEADLINE: JANUARY 21

The Whitaker International Fellowship sends graduating seniors and recent graduates anywhere outside the U.S. or Canada to conduct research, pursue coursework, intern, and more. US citizens and permanent residents are eligible. PLEASE NOTE: there is also an undergraduate-level Whitaker award. It will be due March 11.
